Emily

I put the wrong date on the delivery form. It should say 02-01-2016. Is there any way you can correct this.

Connie

I was looking at the birthing outcome for ███████, and it's now showing 9/9/15, which is the day before the intake form was completed. This leads me to believe that this information is incorrect. Please advise.

Connie,

Can you have Susan address Emily's concern about ██████ and lack of birthing outcome?

Hi Kyle –

Can you provide a little more information on ███████████ utility bill? It looks like the client is looking for housing, so was it necessary to pay the full overdue Ameren bill in order to turn on utilities when she finds a new place?

█████ – Client's due date was 2/9/16, but there is no birthing outcome entered. Please confirm the client's delivery date and have CM enter this data into the system.

Thanks,

Emily Kraft
